General Assistance: A Function of Township Government

by Jerry Swanson, Past St. Charles Township Supervisor & Current Trustee

One of the lesser known functions of township government is the administration of a form of welfare known as General Assistance. Mandated by the State of Illinois, each township must offer General Assistance, a program designed to help alleviate the financial burdens individuals may face during a crisis period in their lives. While it is not designed to address all of their expenses, it is designed to help people "get back on their feet."

General Assistance grew out of programs offered at the township level at a time when the state and federal governments were not as important in these efforts. Township government was considered to be "closest to the people," and the level of government with which most people were familiar.

"Poor Houses" maintained by township government were communal living arrangements for people in financial distress. As the roles of state and federal governments grew, General Assistance became more of the "help of last resort."

General Assistance is designed for township residents who do not qualify for any other assistance program, including federal, state, or (in some cases) municipal. In order to qualify, specific requirements must be met, one of which is a willingness to work. Unless physically unable to do so, recipients must be actively searching for employment and must be able to show that they are available for any suitable employment opportunity.

St. Charles Township has a caseworker who reviews and administers the program under the direction of the Supervisor, as required by law. For additional information, please call our office at 630-584-9342.

Well with winter coming to an end, we will soon be headed into that next season in Illinois and that is "Construction" season. With the county and state having projects going on all the time, we can always expect some kind of traffic detours, so please be careful.

The last couple of years we've been able to resurface about 5 miles of road with the blacktop costing about \$80 per ton. We currently have our bid in for this years resurfacing with the county and are awaiting the outcome. When determining what roads to resurface each year, I always look at how long it's been since it was resurfaced last and what condition it is in. The Township has more than 90 miles of road to maintain.

Safety Tidbits - Township Roads

- Street Signs you may have noticed on most of the main roads that the signs are larger now. We also have had a large number of street signs disappearing in our township. It is against the law to take any signage posted by the road district and those caught stealing these signs will be prosecuted.
- People driving on Burr Road or Crane Road should be aware of the hidden driveways on the top and bottom of hills and around curves. Be aware of the deer that run out in front of the cars and the bicyclists who sometimes use the road right-of-way. These roads are very hilly and potentially dangerous to people who travel over the speed limit of 35mph on Crane Road and 40mph on Burr Road.
- School Speed Limits and Work Zone Speed Limits should be strictly adhered to let the kids and road crew come home safe.
- Violations if you have a problem with speeding or parking on your street, please let the first call be to the sheriff's department at 630-232-6840.
- Reminder: Watch your speed limit! There have been a number of complaints and the Sheriff's Office is aware of this. WATCH YOUR SPEED for your safety as well as your neighbors!

Therefore, the roads in the worse condition and with the longest time since being resurfaced will come first. Most roads being resurfaced are anywhere from 15 to 20 years since they were last resurfaced. We try to patch as quickly as we can other roads to help with their longevity.

Just a reminder to those of you that should have any trouble with flooding, if you need immediate assistance, first please call Kane County Office of Emergency Management, Don Bryant at 630-232-5985. Then call the Township for sand bags or sand if **during** regular office hours at 630-584-3496 or the Sheriff's Department if **after** hours at 630-232-6840 for an emergency and they can get a hold of us. Remember, we can't help if we are not contacted.

In closing, I would just like to say that I look forward to working for you, the taxpayers, for many years to come. I want to thank you in advance for your support and if you have any questions or problems please don't hesitate to call me at my office.

Steve M. Frohling, Highway Commissioner

2022 Resurfacing Projects

We are currently waiting on our bids to go out with Kane County's bids. We obtain better prices by joining forces with the County.

We will post on our website the streets that will be resurfaced this summer as soon as we know how the bids come out sometime in April.

Brush Pickup for Unincorporated Township: Note: NOT City of St. Charles

2022 Pickup Begins April 25

St. Charles Township Road District has contracted with Trees 'R Us, Inc. to pick up brush in unincorporated St. Charles Township this year.

Please follow these procedures to ensure your brush will be picked up:

- Brush/limbs are to be out by the road, **not in the road**, no later than 7am on the Monday of the scheduled week pick up
- Max diameter is 12 inches; Max length is 12 feet
- Stack brush in **large piles** with cut ends facing the road keeping away from mailboxes, utility poles/ boxes, hydrants and parked cars
- Brush should be placed in the front or side parkway: it will not be picked up from vacant lots
- Do not tie or bundle brush/limbs or put brush/ limbs in containers or bags
- **Do not place** stumps, roots, landscape material, lumber, firewood, or foreign objects in piles
- This program is strictly for residentially generated brush; NOT FOR CONTRACTOR REMOVALS OR TRIMMINGS
- If you hire a tree service, they are responsible for taking away all logs and brush
- · We do not pick up after any lot clearings
- Limbs/brush exceeding the requirements for the Residential Brush Pickup Program can hire a private service to have them removed at the resident's expense
- If your brush was out at 7am on Monday of the scheduled pickup week and **NOT** collected by the end of the workday on Friday, please notify the Road District no later than the following Monday. For calls on missed brush removal received **after** that Monday, the brush will be picked up on the next scheduled pickup

Questions? Please contact us at 630-584-3496.

2022 Brush Pickup Schedule

Brush Pickup is on the 4th Monday of each Month (which is not always the last week of the month) from April to October.

April 25 • May 23 • June 27 • July 25 August 22 • September 26 October 24 (last pickup for 2022)

Regulations & Restrictions for "Brush Only" Burning

Kane County has a burn ordinance that prohibits the burning of "landscape waste," which means all accumulations of grass cuttings, shrubbery cuttings, leaves, flowers and weeds. Residents may, however, still burn "brush" as long as they follow the Standard Restrictions.

Standard Restrictions:

- Only on the property where the landscape brush was generated;
- Only on sunny days from 10am to 3pm;
- Not when wind exceeds 10 mph;
- Not within 20 feet of any building, structure or property line;
- Not during announced inversion conditions or ozone alerts Any burning must be supervised until the fire is extinguished; a fire extinguisher, garden hose or water

source must be available at the burning site.

Exemptions:

- Any property zoned or used for agricultural purposes.
- Burning for prairie restoration or firefighter training.
- Burning of brush for recreational fires, but the fire cannot be larger than 3 ft. x 3 ft. x 3 ft.
- Ceremonial fires for a scheduled public or private event. Notice must be given to the local Fire Department, and a permit obtained from the Kane County Health Dept. at 630-208-3801.

Penalties:

• Any person who violates any provision shall be punished by a fine not to exceed \$100 for a first offense and a fine of \$500 for subsequent offenses.

Complaints:

• Monday through Friday, 8:30am to 4:30pm, please call the Kane County Health Department at **630-208-3801**.

All other days/hours, please call the Kane County Sheriff's Office at **630-232-6840**. More Information is available from the Kane County Department of Environmental Management, **630-208-3841**.

A Few Words About Yard Waste

First and foremost, St. Charles Township **Does Not** provide yard waste service.

Residents in unincorporated areas who would like yard waste pickup service (**NOT** brush pickup) should contact their refuse hauler for details. Many contracted waste haulers offer this option.

SUMMER CONSTRUCTION & SAFETY

Please be aware and watch for construction workers on the roads. Their safety is in your hands. Whether it's Township, County, State, Municipality, Utility, or Blacktop Crews - they all should be obeyed. Please reduce your speed, STOP talking or texting on your cells and pay attention to the road signs and the Flagger's directions!

Speed Limits & Signage

Kane County Division of Transportation passed authorization for us to put up Speed Limit signs in subdivisions. This will greatly reduce the amount of signs needed to be posted within a subdivision and save Township residents.

On some of the main roads in the Township, we have gone to a larger street sign. This is in compliance with MUTCD laws.

With the expansion of the sign shop in our garage, we are able to make our own signs. The sign shop enables us, with the help of computer software and a new cutting machine, to make new signs at a savings, so we are updating all the signs to meet with MUTCD laws.

Know What's Below! Call J.U.L.I.E.

800-892-0123 or 811 or www.illinoistcall.com

REMEMBER: Call J.U.L.I.E. Before you dig. If you are having a **Contractor** performing the work, *They* must call, not you. Please do not dig without marks unless a utility has indicated there are no facilities in the dig area.

When you call for Service, provide:

- Your name, address, and telephone number
- · County and city or unincorporated township
- Location of the dig site
- Extent of the work involved (reason for dig)
- Date work will begin
- Permit number (if applicable)
- Section and quarter section numbers (if available)

Did you know ... that J.U.L.I.E. stands for **Joint Utility Locating Information for Excavators.**

IMPORTANT INFORMATION BEFORE Digging, Building and/or Planting in the Road Right-of-Way

The road right-of-way is the area usually 33 feet from the center of the road (some roads vary). That area (33 feet from the center of the road) belongs to the Road District. You must get permission from the Highway Commissioner to do anything in that easement area. Boulders, underground fencing and sprinkler systems must be kept out of the road right-of-way. Stay within your property line when installing these items.

Also, MONUMENT MAILBOXES on road right-of-ways are illegal and not safe to the motoring public. Mailboxes must not be bigger than a 4x4 post per USPS Regulations. When these regulations are not followed properly and objects are built or planted in the road right-of-way, it cost the taxpayer because your Township is forced to pay legal fees to have these situations remedied. Contact us before putting anything in the easement (right-of-way) in front of your house.

Homeowner's Association Information

The Township is seeking homeowner's association information for subdivisions that are in our unincorporated area. We want to keep you informed of any road improvements that may be happening in your subdivision, such as blacktopping or road closures.

Please call the Road District at 630-584-3496 to leave any info. If you call after hours, please leave a message and we'll call back if needed. Thanks in advance for all your help and to those who have already called to keep us up to date.

No one wants to look at JUNK CARS

If you have a problem with vehicle parking, please call the Sheriff's Office first. If you have a problem with junk cars that are abandoned in your neighborhood, please call the Kane County Health Department at 630-208-3801.

No one wants to have this view out their window. Junk cars don't have to be a problem. You can even turn rust into cash. Just Google: *Junk car buyers Chicago*, and a list of options are available to owners.

Tri City Health Partnership provides a wide range of high-quality medical care to individuals in Central Kane County. At our clinic in St. Charles, we treat all patients with dignity and respect, and they receive quality health care from qualified volunteer specialists. Please contact us if you have any questions regarding our treatment or the requirements necessary to receive free care.

The Salvation Army has been serving the St. Charles and the Tri-City area since 1951. Since then it has become an area leader in

helping others. But it is much more than just bell ringing during the holidays:

- **Social Services:** This Department helps residents with needs for social services such as rental, utility, prescription and other assistance.
- Joe K. Anderson Community Center: Provides after-school and summer programs for children along with various programs for adults such as open walking in the gym, seated exercise classes, lowimpact aerobics, cardio-care exercise, line dancing, yoga, a craft club, computer classes and even bingo.
- **Food Pantry:** The Pantry is for those in need within the area. Relying on the kindness of our community to help keep the shelves stocked, the food pantry is open Monday, Tuesday, and Thursday from 9 am to 12:45 pm by calling and registering. In addition, there is a fresh food distribution that takes place on Tuesdays through Fridays from 10 am -1 pm, which is open to everyone. No paperwork needed. (Both are contactless during the pandemic.)
- Salvation Army Corps: The Salvation Army is also a church. Sunday school for all ages is at 10 am, and worship service begins at 11 am The Tri-City Corps also provides women ministries, bible studies, and family night.

For more information, please call 630-377-2769, check the website at **www.satricity.org**, or stop by. You'll learn about opportunities to volunteer or donate (or even how to become a bell ringer next Christmas season).
