

# ST. CHARLES TOWNSHIP

## Spring 2023 Newsletter

**FROM THE ST. CHARLES TOWNSHIP ASSESSOR:**

**Diane Hemmingsen**

The St. Charles Township Assessor's Office is currently revaluing properties for the 2023 General Reassessment Year. This means that all properties will be reviewed and reassessed, based on arms-length sales that have occurred in 2020, 2021 and 2022. Once we submit the assessments to Kane County Supervisor of Assessments, our publication date will be determined.

Illinois State Law dictates that properties are to be assessed at market value. Sales in St. Charles have been very strong for the past couple of years, meaning the investment you have made in your home has increased. This is great news when it comes time to sell your home, but not always welcome news when it comes time for the tax bills. Exemptions can help with lowering your tax bill, so please make sure to review your tax bill online or contact the Kane County Supervisor of Assessments office at (630) 208-3818 to make sure you are receiving all of the exemptions that you qualify for.

In addition to sales affecting the value of a property, some improvements can also affect assessments. Some examples might be an addition, new garage, finished basement, additional bathrooms, decks, patios, in-ground pools and sheds. These items would be eligible for a 4-year Home Improvement Exemption, meaning you would not pay taxes on the increase in value for those improvements, up to \$75,000 in market value, for 4 years after completion. In order to qualify for the Home Improvement Exemption you have to be receiving the Homestead Exemption, meaning your home in St. Charles is your principal place of residence. General maintenance items are not included in this category.

General maintenance would be a new roof, windows, siding and similar items. These items are considered upkeep that help maintain the current value of your home. We are tracking the properties that have installed Solar Panels, but at this point, the addition of solar panels does not effect the assessment of a property.

I will continue to review sales of properties that have solar panels to determine if this improvement affects the sale price of a home.

I encourage you to review the information we have about your property on our website at [www.stcharlestownship.org/index.php/assessor/pa-rcel-info](http://www.stcharlestownship.org/index.php/assessor/pa-rcel-info). After reviewing the information online, if you find any details that are not correct about your home, please contact our office and we will make the necessary changes. In order to properly assess your home we do have Field Teams that visit properties to update and/or correct the information we have on your property. We do not have phone numbers for property owners, unless you have given it to us for our records, so contacting you prior to our field visit is not always possible. Due to increased concerns over public safety, homeowners are more conscious of unknown people on their property. So while we drive a vehicle that states we are from the township and have ID's and clothing that also identifies the Field Team, with the continued resistance from homeowners in this regard, we are finding ourselves having to assess properties using the GIS system: GIS, or geographic information systems, are computer-based tools used to store, visualize, analyze, and interpret geographic data. Geographic data (also called spatial, or geospatial data) identifies the geographic location of features. Therefore, while this is a great tool, it is not as accurate as actually being on a property and physically measuring a structure. Nevertheless, we are continuing to adapt to this "new" way of valuing a property.

As always, I encourage you to call our office with any questions regarding the assessment of your property. We can be reached at (630) 584-2040, Mon-Fri from 8:00am to 3:30pm.

## A Message from your Highway Commissioner

Hopefully winter is coming to an end so we will be headed into the next season in Illinois. That is **“Construction”** season. With the county and state having projects going on all the time we can always expect some kind of traffic detours. So be **careful**.

The last couple of years we've been able to resurface about 5 miles of road with blacktop costing about \$90/ton. We currently have our bid in for this years resurfacing with the county and are awaiting the outcome. When determining what roads to resurface each year I always look at how long it's been since it was resurfaced last and what condition it is in. The township has over 90 miles of road to maintain. Therefore, the roads in the worse condition and the longest time since being resurfaced will come first. Most roads being resurfaced are anywhere from 15 - 20 years since they were last resurfaced. We try to patch other roads as quickly as we can to help with their longevity.

Just a reminder to those of you that should have any trouble with flooding, if you need immediate assistance, first please call Kane County Office of Emergency Management, Don Bryant at 630.232.5985. Then call the township for sand bags or sand if during regular office hours at 630.584.3496 or the Sheriff's Department if after hours at 630.232.6840 for an emergency and they can get a hold of us. Remember, we can't help if we are not contacted.

In closing, I would like to say I look forward to working for you, the taxpayers, for many years to come. I want to thank you in advance for your support and if you have any questions or problems please don't hesitate to call me at my office.

*Steve Frohling, Highway Commissioner*

## SUMMER CONSTRUCTION & SAFETY

Please be aware and watch for construction workers on the roads. Their safety is in your hands. Whether it's Township, County, State, Municipality, Utility, or Blacktop Crews - they all should be obeyed. Please reduce your speed, stop talking or **texting** on your cell phone and pay attention to the road signs and the Flagger's!

## Brush Pickup for Unincorporated Township:

**Note: NOT City of St. Charles**  
**2023 Pickup Begins April 24**

St. Charles Township Road District has contracted with Trees 'R Us, Inc. to pick up brush in unincorporated St. Charles Township this year.

Please follow these procedures to ensure your brush will be picked up:

- Brush/limbs are to be out by the road, **not in the road**, no later than 7am on the Monday of the scheduled pick up week
- **Max diameter** is 12 inches; Max length is 12 feet
- Stack brush in **large piles** with cut ends facing the road keeping away from mailboxes, utility poles/boxes, hydrants and parked cars.
- Brush should be placed in the front or side parkway: it will not be picked up from vacant lots
- Do not tie or bundle brush/limbs or put brush/limbs in containers or bags
- **Do not place** stumps, roots, landscape material, lumber, firewood, or foreign objects in piles.
- This program is strictly for resident generated brush; **NOT FOR CONTRACTOR REMOVALS OR TRIMMINGS**
- If you hire a tree service, **they are responsible for taking away all logs & brush**
- We do not pick up after any lot clearings
- Limbs/brush exceeding the requirements for the Residential Brush Pickup Program can hire a private service to have them removed at the resident's expense.
- If your brush was out at 7am on Monday of the scheduled pickup week and **NOT** collected by the end of the workday on Friday, please notify the Road District no later than the following Monday. For calls on missed brush removal received **after** that Monday, the brush will be picked up at the next scheduled pickup week.

Questions? Please contact us at 630-584-3496.

## DONATE YOUR VEHICLE

The St. Charles Park Foundation has partnered with CARS, a vehicle donation program, to support your parks. CARS does it all with flexible scheduling of vehicle pick up and final sale negotiations. Proceeds to the Park Foundation are expedited after the sale. Donors receive a thank you letter with pertinent tax information.

### HOMEOWNERS ASSOCIATION INFORMATION

St. Charles Township is in need of HOA information for subdivisions that are in unincorporated township. We would like to keep you informed of any road improvements that may be happening in your subdivision, for instance blacktopping or road closures. If we have a way to get a hold of your HOA we would be able to pass this information onto you so you can be prepared. Please call the Road District at 630.584.3496 to leave any info. If you call after hours, please leave a message and we'll call back if we need to. Thank you in advance for all your help and to those who have already called to keep us up-to-date.

### **2023 Township Brush Pickup Schedule**

Brush pickup is on the 4th Monday of each month (which is not always the last week of the month) from April to October.

**April 24, May 22, June 26, July 24, August 28, September 25, October 23 (last pickup for 2023)**

**\*For Unincorporated St. Charles Township:  
Not the City of St. Charles**

### **Yard Waste**

Residents in unincorporated areas who would like yard waste pickup service (not brush pickup) should contact their refuse hauler for details.

St. Charles Township does not provide yard waste pickup; however, many of the contracted waste haulers do offer this service.

## Leaf Disposal and "Brush Only" Burning Regulations

Effective January 1, 2003 open burning of "landscape waste" and /or other materials, with the exception of **Brush** is prohibited in the unincorporated areas of Kane County. The definition of "**Brush**" means trunks, limbs, branches, and twigs.

Kane County has a burn ordinance that prohibits the burning of "Landscape Waste," which means all accumulations of grass or shrubbery cuttings, leaves, flowers and weeds. You may however still burn "**Brush**" as long as you follow the Standard Restrictions that are listed below.

### STANDARD RESTRICTIONS:

- Only on property upon which the landscape waste of brush was generated;
- Only on sunny days from 10:00 am to 3:00 pm;
- Not when wind exceeds 10 mph;
- Not within 20ft. of any building, structure, or property line;
- Not during announced inversion conditions or ozone alerts.
- Any burning must be supervised until the fire is extinguished; a fire extinguisher, garden hose or other water source must be available at the burning site.

### EXEMPTIONS:

- Any property zoned or used for agricultural purposes;
- Burning for the purpose of prairie restoration or firefighter training;
- Burning of brush for recreational fires, but the fire cannot be larger than 3'x3'x3';
- Ceremonial fires for a scheduled public or private event. Notice must be given to the local Fire Department and a permit obtained from the Kane County Health Department (630) 208-3801.

### PENALTIES:

- Any person who violates any provision shall be punished by a fine not to exceed \$100 for a first offense and a fine of \$500 for subsequent offenses.

### COMPLAINTS:

**Monday thru Friday, 8:30am thru 4:30pm, please call Kane County Health Dept. @ 630.208.3801; All other hours please call 630.232.6840**

## IMPORTANT INFORMATION BEFORE Digging, Building, Planting in the Road Right-of-Way

**The road right-of-way is the area usually 33' from the center of the road (some roads vary). That area (33' from the center of the road) belongs to the Road District. You *must* get permission from the Highway Commissioner to do anything in that easement area. **Boulders, rocks, underground fencing and sprinkler systems must be kept out of the road right-of-way.** Stay in your property line when installing these things.**

Also, **MONUMENT MAILBOXES** on the road right-of-way **are illegal** and not safe to the motoring public. Mailboxes must not be bigger than a 4x4 post per USPS Regulations. When these regulations are not followed properly and things are built or planted in the road right-of-way it costs the taxpayer because the township is forced to pay legal fees to have these situations remedied.

**Please contact the Road District before putting anything in the easement (right-of-way) in front of your house.**

## JUNK CARS

If you have a problem with vehicle parking, please call the Sheriff's Office first. If you have a problem with junk cars that are

abandoned in your neighborhood please call the Kane County Health Department because it is a health problem. Their number is 630.208.3801.

## **RESURFACING PROJECT FOR THE SUMMER OF 2023**

**We are currently waiting on our bids to go out with Kane County's bid. We get better prices by doing it this way. We will post on our website the streets that will be resurfaced this summer as soon as we know how the bids come out sometime in May.**

Random Acts Matter (RAM) is a non-profit, 501(c), volunteer organization committed to sharing care and compassion. Our annual Random Acts of Kindness Week offers an opportunity for the entire St. Charles community to come together in kindness.

The goal is for care and compassion to spread through our community through random Acts, big and small. Opening a door for a stranger, sharing a smile, buying coffee for the person behind you in line, the list is endless. Every Act of kindness changes our community, no matter how small.

Founded in 2016 Random Acts Matter has performed over 406 Acts, serving an estimated 4,573 people. Acts of kindness are performed year-round via nominations from the community when someone in St. Charles identifies a person or family in need. In addition, we spread care and compassion through community outreach including helping our local veterans, Lazarus House, the Juvenile Justice Center and in the fall, we host a coat drive which collects hundreds of coats for those in need!

We are funded by monetary support from individuals and organizations, local businesses often provide goods, services and monetary support allowing Random Acts Matter volunteers to fulfill kindness requests.

If anyone would like to nominate, donate or volunteer please visit our website [Random Acts Matter](http://www.randomactsmatter.org)

With the approach of Spring, we are feeling a sense of hope & gratitude here at Lazarus House. Grateful that our guests have a warm place to sleep each night and nutritious meals to eat. Grateful for all the donations that allow us to keep our doors open and meet the needs of our guests. The feeling of hope that we witness as our guests find new employment opportunities, reach sobriety milestones, pay off debt, and feel connected here to others that helps alleviate feelings of loneliness. We wish to thank you, the community, for being an integral part of this change. Through the time, talent and donations of so many, we attempt to meet the needs of each individual or family no matter what circumstances bring them to our door. YOU create change in our community!

Lazarus House offers emergency shelter, transitional living and homeless prevention programs to individuals from Batavia, Geneva, St. Charles and western rural Kane County. Our mission is to offer guests connected to these communities, who are homeless or in need, hope for the future by providing hospitality, food, safe shelter, and education - tools for life.

We are so fortunate to be amongst such a caring community of people willing to help their neighbors in crisis. If you know someone who needs shelter, encourage them to call Lazarus HUse @ 630-587-2144. If you are in a position to support our mission, please consider a monetary donation and/or urgent needs items such as paper towels, bottled water or other items posted on the website: [www.lazarushouse.net](http://www.lazarushouse.net)

Lazarus House has some great special events coming up. Trivia Night will be held Monday, April 17th @ Pollyanna in St. Charles. Our largest fundraiser will be our Posh Picnic at Heritage Prairie Farms on Friday, June 9th. It is a wonderful farm-to-table meal, with games, music and fun. Plan to start your July 4th off with a bang at our annual Great Western Freedom 4 Run and Walk. This event offers a competitive 4-mile run and a 2-mile scenic walk. Come Fall, enjoy a round of golf to benefit Lazarus House on Friday, September 15th at Prairie Landing Golf Club. Details about all of these events, sponsorships and how to donate or volunteer are on the website [www.lazarushouse.net/events-overview/](http://www.lazarushouse.net/events-overview/).

## The Columbaria at Union Cemetery

The newest addition to St. Charles Township Cemeteries is the Columbarium at Union Cemetery, 1206 N. 5th Avenue. Please feel free to stop by and view a beautiful picturesque setting for the interment of cremains.

There is a one-time charge for the niche and opening/closing to intern up to 2 urns. The only other cost will be for the engraving of the marble front.

Please contact the cemetery office for a brochure, more information or to purchase a niche at 630-584-8699. For a brochure and price list, you may also stop by the Township Office at 1725 Dean St., St. Charles.
